: DECISION GRANTING PETITION
:
:

This is a decision on the "APPLICATION FOR PATENT TERM ADJUSTMENT UNDER 37 CFR §1.705(b)" filed September 25, 2007.

The application for patent term adjustment ("PTA") under 37 CFR 1.705(b) is hereby **GRANTED.**

The correct Patent Term Adjustment ("PTA") at the time of the allowance is 1183 days. The Office will adjust the PAIR screen to reflect that the Patent Term Adjustment (PTA) determination at the time of mailing of the instant letter reflects an adjustment of 1159 days. A copy of the updated PAIR screen showing the correct determination is enclosed.

The Determination of Patent Term Adjustment mailed September 18, 2007 indicated that the PTA to date is 250 days. Applicants argue that the application is entitled to an adjustment of 1159 days.

As uncontested by applicants, the application is entitled to an adjustment of 755 days in accordance with 37 CFR 1.702(a)(1) in connection with the Office action mailed March 11, 2004.

As further uncontested by applicants, the application is entitled to a further adjustment of five days in accordance with 37 CFR 1.702(a)(2) in connection with the final Office action mailed October 8, 2004.

As argued by applicants, the application is entitled to a further adjustment of 410 days in connection with the mailing of the non-final Office action on July 3, 2006. The adjustment began May 20, 2005, the day after the dates that is four months from the RCE submission and ending on July 3, 2006, the date of reply by the Office.

Application No. 09/736,134

Applicant delayed by a period of 11 day pursuant to 37 CFR 1.704(b). The delay began on January 9, 2005, and ended on January 19, 2005, the date of submission of a compliant RCE.

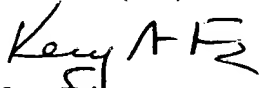

Accordingly, as of the time of allowance, the application is entitled to an adjustment of 1159 days (an adjustment of $755 + 410 + 5 - 11 = 1159$.)

The required PTA application fee of \$200.00 has been charged to applicant's deposit account as authorized.

Applicants are further advised that the patent term adjustment indicated in the patent will include any additional patent term accrued pursuant to §§ 1.702(a)(4) and 1.702(b).

The application file is being forwarded to the Publications Division for issuance of a patent.

Telephone inquiries specific to this matter should be directed to Petitions Attorney Alesia M. Brown at (571) 272-3205.

A handwritten signature in black ink, appearing to read 'Kery Fries', with a stylized flourish at the end.
